Family Support Program

Empowering Families & Transforming the Lives of Neurodivergent Children!

NO CHILD SHOULD BE LEFT BEHIND

Neurodivergent children can contribute to the future every bit as other children.

ALL KIDS NEED IS

A little Help
A little Hope
and Someone who believes in them

That Someone is You

&

We are here to support

YOU!

What is the Family Support Program?

A customized play-based program that enables families to engage intelligently in the comfort of their own home using the right tools & techniques will enhance & speed up the therapeutic support.

THE PROCESS THAT LEADS TO PROGRESS

STEP 1

Mentor

A mentor is assigned to you as soon as you enroll. Your mentor will be with you throughout the journey.

STEP 2

Family Need Profile

A comprehensive Family Need Profile is prepared based on the Developmental, Social Maturity, and Family Based assessment tools.

STEP 3

Family Support Plan

Based on the evaluations, the mentor will prepare a plan exclusive to your family dynamics and needs to enhance communication and relationships between family members and build a playful learning environment for the child.

STEP 4

Therapeutic Developmental LEGO play Kit

Learning tools in this kit to be customized as per the plan prepared by the mentor to best suit the family's play persona. These tools will be handpicked as per the child's progress and will be delivered to your doorstep.

STEP 5

Training and Facilitating Play

Your mentor will train you on how to facilitate play and use these tools with the right techniques to create a playful learning environment for the child's skill-learning journey.

STEP 6

Feedback and Progress Tracking

There will be periodic feedback and re-assessments to track the progress of the child and the family members to build and upgrade the goals of the Family Support Plan.

WE ARE DOING THIS TOGETHER

YOU WILL NEVER BE ALONE IN THIS JOURNEY!
